

CHRISTINA CALJE

ENTREPRENEUR. INVESTOR.
ADVOCATE. ETHICIST.

Born and raised in New York City, Christina Calje is a Goldman Sachs Executive Director turned startup founder and investor. A seasoned entrepreneur in the finance and technology sectors, Christina has launched and scaled businesses across New York, London and Amsterdam.

After the acquisition of her video marketing technology company in 2021, Christina expanded her focus to the investment space to address the funding gap of underrepresented founders in Europe. With this purpose in mind, Christina serves as advisor, board member and investment committee member to venture capital funds and government entities, alike.
